Re: *Hartford Fire Insurance Company v. Moniker Online Services*
Case No. 07 CV 9729 – Request for Adjournment of Pre-Trial Conference
(Our Ref. HART USA TC 07/06642)

Dear Judge Baer:

We are counsel for plaintiff Hartford Fire Insurance Company in the above-captioned action. In response to the parties' first request for an adjournment of the Pre-Trial Conference originally scheduled for Thursday, January 24, 2008, Your Honor granted the request and rescheduled the conference for tomorrow, February 7, 2008. Since that time, the parties have been discussing settlement actively and yesterday arrived at a settlement in principle, but still need to complete a written agreement, a draft of which we expect to be circulated later today.

While the parties are prepared to appear at the conference tomorrow, to avoid the need for the defendants, who are located in Florida, to retain local counsel to appear at the conference, we hereby respectfully request a further adjournment to allow the parties time to complete the settlement agreement.

Your Honor's consideration is greatly appreciated.

Very truly yours,

Michael Chiappetta
